Technical drawing of a motor mount MTB_1. The drawing shows a top view of a plate with a central circular hole and a smaller central slot. There are four mounting holes: two at the top and two at the bottom. The overall width is 80 and the height is 208. The top corners are rounded with a radius of 3.2. The bottom edge has a sloped section with a 10mm fillet and two M5 holes. A hatched area is shown on the right side of the plate.
